Organization(s) Participated
April 16th: Stakeholder discussion with EPA Agricutlure Counselor, Sarah Bittleman, and key stakeholders from the Ag community (see attached).

Dates / Organizations Participating
April 22: Combined roundtable event of commercial fishermen, sportsmen, and tribal partners to discuss Bristol Bay with Bob P., Bob S., and potentially Gina M.
April 22: Sportsmen to discuss streams and wetlands with Nancy S. One pager is attached.
April 26: OPE will host a conference call with health organizations to discuss healthy heart and the environment
April 30: Meeting with Manufacturing Action Council's Regulatory Improvement Council and Nancy Stoner to discuss EPA's comprehensive survey of the health of our Nation's streams and rivers.
Mid-April: Met with Peter Hutchins, VP, Programs, American Forests, on April 2 to discuss a possible partnership or collaboration with EPA associated with the protection and expansion of American's Forests. This was a more detailed discussion about their EJ Program (Urban Forestry Program) they are launching on April 4th. They are interested in partnering with EPA with their urban initiative. A briefing will be set up with the Climate Change office in mid April. A one pager is being developed.
May: Twitter Chat with American Heart Association featuring Dr. Wayne Cascio discussing EPA’s National Health and Environmental Effects Research
